Pennant: Last week's pennant was cancelled due to the temperature rising above 37. Yesterday the last game for the season was played at Valley View, against Valley View White. Congratulations to the Valley View Green team who look set to win the West Division after finishing on top. The final between them and the winner of the East Division will be played Flag Day at Mooroopna on the 5th December. All players are invited to play on that day.

Golden Putter: The popular competition has seen the ball holed for only a small reward as the booty was collected a couple of weeks ago. Terri Wangeman lived up to her good putting reputation and watched as the ball dropped in, making it twice that she has collected the prize.

The final of the Glad Robbins 4BBB knockout event will be played today at 10.am between Lyn Fanning/Bev Roberts and Loretta Wiffen/Di Day. Come along and watch what should be a tightly contested match.
